THE PRIMARY LAW.

THE ELECTION TO-DAY WILL BE LEGAL.

It looked for a little while last even-ing that the second day's primary would not be held to-day. In fact such would not be held to-day. In fact such a decision was reached at one time, but later this decision was revoked. A clause in the primary law requires that the tickets shall be placed in the hands of representatives of the various candidates not later than noon on the day preceding the primary. It was a physical impossibility to make up the ticket for to-day by noon yesterday, It was not made up until last night at 10 o'clock.

It was decided, however, that the law applied to the first day's primary and not to the second, and the election will accordingly be held to-day.

THE ELKS' CARNIVAL.

BIG CROWD LAST NIGHT-FINAN-CIAL SUCCESS ASSURED.

The largest crowd that has yet attended was present last night at the Elks' Carnival, and everybody had a Elks' Carnival, and everybody had a good time. The various booths are being liberally patronized and as it was a little warm last night, the ice cream booth did a rushing business. The fish pond continues to be a popular resort and the diggers in the Klondike getstrange and unexpected treasures at a nominal sum and with the least possible exertion: in fact, the terrors of a trip to the Klondike are now entirely overcome by the carnival ladies.

One of the features most enjoyed is the music and dancing at the westerly end of the hall, and here the young people trip the light fantastic to their heart's content.

The attendance is increasing nightly and the carnival is now complete in every department. A pleasing musical program is being presented nightly.

To Our Advertisers.

The Virginian-Pilot is compelled to require that all advertisers desiring to change their advertisements in our change their advertisements in our Sunday edition furnish us with copy not later than 12 o'clock noon Fridays. No change of advertisement will be guaranteed later than this hour. This requirement is rendered necessary by the great increase in our advertising patronage, for which we thank our patrons and trust that they will appreciate the fact that an early paper will be a mutual benefit to both our readers and advertisers.

THE POLICE COURT.

ELECTION ROWS INVESTIGATED-CHARGED WITH SWINDLING.

A warrant was issued yesterday against Policeman Thurston Andrus, of Brambleton Ward, charging him with perjury. This grew out of the cases in the Police Court yesterday morning

against Mr. Nat Dalby, a member of the City Democratic Executive Committee, and Special Officer Barrom, of the Norfolk and Western railway. In which they were charged with riotous conduct at the Second Precinct of the Fifth Ward Tuesday.

There were about thirty-five witnesses before Justice Tomlin when the cases were called. The police tried hard to make out a case against the two men, but after a full investigation, Justice Tomlin said the evidence was overwhelmingly in favor of the accused, and he promptly dismissed the case.

Messrs. Dalby and Barrom were challengers appointed by the City League for Good Government to act at the Second Precinct of the Fifth Ward. The right of an unknown tramp to vote was challenged, and a row ensued. Policeman Andrus charged that the challengers assaulted, the tramp, and that Mr. Dalby attempted to strike him. One of the witnesses for the police testified that he warded off a blow which would probably have knocked senseless or kilied Policeman Andrus.

ANOTHER CASE.

Instee Tomlin had before him yes-

kilied Policeman Andrus.

ANOTHER CASE.

Justice Tomlin had before him yesterday morning Edward Cotton and W.

A. Etheridge, charged with fighting at the polls in the First Ward at 5 o'clock Tuesday morning. In the "scrap" Etheridge was knocked senseless by a blow in the temple, delivered by Cotton Etheridge did not appear against Cotton, and as it was said he was not seriously hurt, the case was dismissed.

MINOR POLICE CASES.

Henry Williams, colored, charged with swindling three persons of his own race, was held for trial ten days hence. C. R. Jordan and C. Reed, both colored, charged with violating an ordinance, were fined \$3.50 each.

James Minor, colored, arrested for running over Harry Charlton, was dismissed.

Lum Sands was sent to the jail hospital for five days to recover from a spell of sickness.

Finance of Harry Charlton, was dishibited and the part hospitation of the days to recover from a spell of sickness.

opera.

The opera will be presented by the full cast at Suffolk on the night of April 24th, and at matinee in Norfolk on April 25th. The prices for this matinee performance will be only twenty-five and fifty cents, and it seems probable that the house will be crowded as the performance richly merits.
